

Gabriella Giubilaro

an International teacher based in Florence (certified at Advanced Junior level) will teach an

Intensive Workshop 3-4-5 February 2017

About Gabriella

Gabriella is generally acclaimed as one of the finest teachers in the world. Doubtless her more than thirty years of direct study under BKS Iyengar—ongoingly from 1983—make her the holder of a wealth of knowledge. Yet Gabriella says:

The most important thing BKS Iyengar passed on was not knowledge, but rather the tools of how to work on the self.

We are honored to host Gabriella as she passes on the legacy of BKS Iyengar.

Her Background

Gabriella began yoga in 1973 while at University (PhD in Physics in 1977). After meeting BKS Iyengar she made teaching Iyengar yoga her occupation.

Gabriella is appreciated for her dynamism, for her good humor and for her attentiveness to individual needs. Her scientific background is evident in the clarity of her presentation, which helps students to realize the intelligence of their own bodies and to reach their maximum potential.

She is the founder of the Iyengar Institute in Florence (1989) and Yoga Wisdom Italy (2010), whose mission is to further body awareness through the Iyengar method.
